STARTER DIY MENTORING PROGRAM RESOURCE KIT ORDER AND PAYMENT FORM

Acceptance of Terms and Conditions (Please read and sign)

The Australian Mentor Centre takes seriously its approach to the Starter DIY Mentoring Program Resource Kit. We have discounted the price of the kit considerably to provide a more cost effective approach for everyone involved in adult mentoring activities. We ask that you read our Terms and Conditions below and sign to accept the conditions as part of your purchase.

You ('purchaser') accept and acknowledge that the Australian Mentor Centre ('supplier') retains all intellectual property rights, including copyright, in the materials supplied by the Supplier under this Purchase Agreement. The Supplier grants the Purchaser a right to use the said materials to support an internal organisational Mentoring Program.

In using the materials to support your internal Mentoring Program, you agree and understand to the following usage limitations:

1. Aside from the Mentee and Mentor Registration Forms and the Program Flyer, no other documents provided to you in the Starter DIY Mentoring Program Resource Kit are to be located in electronic or other format on a public website, either that of your own organisation OR any related organisation. Please note that we will review your public website on a periodic basis to confirm that you are adhering to this condition. If you are in breach of this, we will contact you immediately to request removal.
2. As the kits have been developed and produced to provide a cost-effective mentoring support framework, you agree and understand that you are not to provide electronic or paper copies of any of the contents of the Starter DIY Mentoring Program Resource Kit outside your organisation (eg. to another Mentoring Program Coordinator in another organisation or separate legal entity) with the intent of another organisation using the kit to conduct their own mentoring program. This also includes Associations or not-for-profit organisations who have different state offices. We ask that you refer interested organisations and individuals to the Australian Mentor Centre to purchase their own Starter Kit.

In signing below, **you acknowledge and accept the above Terms and Conditions.**
