

Talking Mentoring Fact Sheet Series (Licence)

A cost-effective internal mentoring resource series to support your formal mentoring program participants AND enhance your informal mentoring relationships.

The Talking Mentoring Fact Sheet Series Licence includes:

- 12 months fact sheet library access with unlimited downloads and printing
- Easy deployment to your organisational intranet OR membership website
- Growing library of fact sheets linked to contemporary personal and professional topics
- Hassel free updates and additions to the library at no additional cost
- Discounts when bundled with the Talking Mentoring Video Education Library for a superb internal mentoring resource centre.

Do you need to:

- Provide **great support resources to your formal mentoring program participants?**
- Provide 'on the go' resources to those team members who **naturally seek out their own informal mentoring relationships?**
- Build an **internal mentoring resource centre** to foster a mentoring culture?

The **Talking Mentoring Fact Sheet Series** is a growing educational library of one-page fact sheets to support your formal mentoring program participants AND to enhance your informal mentoring relationships.

Current titles include:

- Approaches to Mentoring
- How to Find a Mentor
- A Successful Mentoring Relationship Needs
- Stages of the Mentoring Partnership
- Key Take Home Points for Mentees and Mentors
- Active Listening in the Mentoring Relationship
- Networking and the Mentoring Relationship
- Career Planning in the Mentoring Relationship
- What Leads to Success?
- Feedback—Understanding it More
- Balancing the Mentoring Conversation
- Ending the Mentoring Partnership Successfully
- The Mentoring Revolution
- The Performance Conversation in Mentoring
- Emotional Intelligence and the Mentoring Conversation

New titles added regularly!

Your annual licence subscription provides you with:
